(2) If at any time during the term of the contract, the contractor has reason to believe that in the near future a price adjustment under the provisions of this clause will be required that will exceed the current contract-ceiling price, the Contractor shall promptly notify the Contracting Officer in writing of the expected increase. The notification shall include a revised ceiling the Contractor believes is sufficient to permit completion of remaining contract performance, along with appropriate explanation and documentation as required by the Contracting Officer.

(3) The Contracting Officer shall review the documentation justifying the proposed revised ceiling and notify the Contractor within thirty- (30) days in writing of his decision.

(4) There is no percentage limit on downward adjustments under this clause.
